This week's Assembly: At Braemar Hill Road on Friday we all enjoyed a superb assembly presented by the two Primary 3 classes. This presentation focused on the number 100. The children began by informing us that Friday was the 100th day of school this year! They then continued by supplying us with facts in relation to the number 100 whilst sporting spectacles in the shape of 100, made by themselves. Our thanks go to all the children for this informative assembly and to Mrs. Tse and Mr Mason for a great production!

This morning in **Ching Wah Street** it was the turn of Reception 1 class. Following our Numeracy assembly theme for this term, the children performed three number action songs; Five Little Ducks, Seven Flying Saucers and Ten fat Sausages. The performance was very well presented and the children showed us their skills for counting backwards. Our thanks go to Ms Chow for her hard work and to Ms Ann for the prop making. Well done!

This Week: The P1's are going on Thursday to the Law UK Folk Museum, and our Extra Curricular Activities begin again today for the second session of 10 weeks.

Keep Place letter came home on Friday, please let us have the reply slip plus your deposit of \$1,000 as soon as possible, but by Friday 6th March at the latest.

Secondary News: Well, we have held our Mock Examinations for both our forthcoming IGCSE and IB Diploma examinations and we are most optimistic for both our cohorts of students as their final examinations get nearer, in May and June. Several of our Year 13 students have begun to receive their conditional offers from British Universities, including the University of St Andrews (Scotland), Warwick and York Universities. Others will be following on very soon! We are hopeful that all our Year 13 students will find a University place this year. All of them have applied to Universities in the UK, Hong Kong, and in the USA. Once our results have arrived we will be posting a list of results and where our students will be going to study on our Website.
