This week's Assemblies: Assembly on Friday at Braemar Hill Road was presented by our Primary Four classes. This was a display of amazing talents! We listened to piano recitals, a violin recital, a solo and a duet of singers and watched some magic tricks! A very talented year group indeed and our thanks go to all the talented students and to the P4 teachers and assistants for the performance.

Continuing with our Lower School assemblies for this term reflecting learning from the Mathematics area of the curriculum, Reception Two this morning presented an excellent production of number action songs. They were very well rehearsed and clearly thoroughly enjoyed their time on stage! Our thanks to Ms Wilcockson and Ms. Sheeja; the props were superb!
