Braemar Hill Road Assembly: Mrs. Wenitong's class P5W performed an excellent information presentation on the Tudors. The children read very well and were clearly very much enjoying delivering this assembly from the History part of our curriculum. Thanks to everyone for putting this together.

Ching Wah Street Assembly: Lower School assembly this morning was the third presentation from our 'Story Sack' series. Mrs. Rushton's Primary One class produced a reciting and musical ensemble of 'Polar Bear, Polar Bear what do you See?' It was nice to see the children using musical instruments along with their colourful props. Thanks to our P1 staff and the children of P1R.

Dress Special Day last Month: I was so sorry to personally miss this special event this year, but I am very pleased to be able to report to you that the Primary School International Section raised just over \$79,000 for the Community Chest! Once again we have collected more money than we did last year, for a very worthy cause, and our thanks go to all of you for your very generous donations! As usual our donations are added to our Primary School's contributions to be sent to the Community Chest.

This Week: On Friday we begin our annual visits to the Life Education Activity Programme (L.E.A.P.) headquarters in Stubbs Road, when our P6G, P6N, P1R and PP1pm classes go out for their visits.

Immunizations: Those students from P1 and P6 who missed their immunizations last month, will be able to have them this Thursday, when the Health Department nurses return to our school.

Also this week we are pleased to welcome six students from HKIEE, who will be visiting our Mandarin Classes as part of their Master of Arts in teaching Chinese as an International Language course. They will be visiting various classes throughout the Upper Primary Campus on Thursday.
