Braemar Hill Road Assembly: on Friday, was performed by the three Primary 6 classes, and reflected objectives from various areas of the curriculum. First of all P6N presented us with an informative Humanities Lesson on the Water Cycle; the children all spoke well and used visual aids as props to deliver what they have learned. Thank you to Mrs. Nara, and all the children who spoke so well and really did give us a lot of information. Secondly, P6C, from the Science area of learning, presented information on micro-organisms; this was also very well organised, extremely interesting and clearly presented with props made by the class, thank you to Ms. Chan and her children. Last but by no means least, P6G presented some beautifully read poetry! Our thanks to Ms. Gerlach as the children memorised and recited perfectly, including poems that they had written themselves. Well done to all the P6 children and our thanks also to Mrs. Woods for assisting.

Ching Wah Street Assembly: This morning it was again the turn of Primary 10; Ms. Suen's class performed the 'Rainbow Fish'. The children all spoke clearly and retold this popular story beautifully, clearly portraying the moral of the story which is a reminder of the importance of being kind to others. A lovely choice of Story Sack for the younger children and perfectly presented. Well done to all the children and our thanks to Ms. Suen and Ms. Lili.

Two Advance notices: Afternoon School Closure - Thursday 20th November: The Secondary School's 50th Anniversary Graduation Ceremony is to be held on the afternoon of 20th November, and therefore our Upper Primary School will close at 12 noon on that day. School Buses will operate as normal, leaving Braemar Hill at 12.05 p.m. on that day. Lower Primary at Ching Wah Street will operate as normal for the whole day.

PTA Christmas Party - Thursday 18th December. You should all have received a letter regarding this party, last week, to which you are all cordially invited. If you wish to attend, please note that the deadline for acceptance slips is the 21st November. Many thanks!

Finally, if any parents have younger children who will be applying for Kindergarten for September 2009, and have not already done so, please may we have your applications by the end of this month, as we will be allocating our Kindergarten places in December. This is because we have an extremely long waiting list, (more than 200), for our places, and of course, siblings have priority.
