### **Braemar Hill Road Assembly**

This week's assembly was presented by Mrs. McKay's class, P4M. This was an excellent performance from the Geography area of the curriculum and was very informative indeed. We learned of 'Reduce, Reuse and Recycle' and of the importance of disposing of rubbish correctly in a small place such as Hong Kong.

### **Ching Wah Street Assembly**

This term's assemblies are all going to be focused around our wonderful 'Story Sack' resources. A story sack is a large colourful bag containing a story book and many other activities such as tapes, games, fiction books, puppets etc. Each class teacher will chose a Story Sack (we have over 20) and plan a presentation around the theme. This week P1L, Ms Lee's class, performed 'The Very Hungry Caterpillar!'. The class made some of their own props which very colourful indeed; well done to all the children who learned lines to recite, to tell us the story and to Ms Lee and the teacher's assistants for putting this assembly together.
