

## Kindergarten and Primary Newsletter for 2008-9

### Issue No. 28

Monday 27<sup>th</sup> April 2009

**Assemblies:** Unfortunately, due to hall unavailability because of Secondary examinations, we will not have an Upper Primary assembly until May 15<sup>th</sup>.

This morning we were entertained by Miss Chow's class, Reception 1 a.m. in the Lower School with the dramatised production of 'The Enormous Turnip!' The children all spoke with confidence and thoroughly enjoyed this early stage experience by participating fully and showing appropriate awareness of the audience. Well done!

Our Thanks go to Miss Chow and Miss Ann for the props and children's hats etc.

**Stars of the Week:** As there was no Assembly last Friday, stars this week have been awarded to just the Lower School Students, by their class teachers, as follows: Rossetti Tsang (P1R), Quintin Tang (P1O), Richard Ma (P1L), Chloe Ip (PP1pm), Matteo Guillon (R1am), Jillian Lui (R2am), Cheryl Ke (Rpm), Gigi Lee (KG1am), Edison Chiang (KG2am), Helen Yim (KG1pm) and Clive Yeung (KG2pm). Congratulation to all our stars this week!

**This week:** A reminder that the Primary 1 students who missed their immunizations in March will be able to get them this week on Wednesday 29<sup>th</sup> April. Also this week the Lower School Picnic and Sports Day will take place this Thursday at Repulse Bay Beach. We look forward to seeing all our Lower School Children plus parents there.

Finally, a reminder that School will be closed this Friday for a Public Holiday. School will resume as usual next Monday.

### News from the Secondary Section:

Last week more than 50 of our students attended the HK School Sports Association annual Athletics meet, and came away with thirteen medals, three of which were gold, the rest silver and bronze. We are all very proud of our students, all of whom performed very well at the event, competing against many other international schools in Hong Kong.

Examination time is now almost upon us, with our first group of IB Diploma students now on study leave, with their examinations beginning May 4<sup>th</sup>. Our third year of IGCSE Students will be beginning study leave at the end of the week, with their examinations beginning in mid-May.

We wish them all the best with their studies and when they sit their exams. The IB Diploma results, I understand, will be available early July, with the IGCSE results published in mid-August as before.

So far several of our Diploma Year 13 students have received conditional offers of University places overseas, particularly in the UK, with one receiving a definite place at the Australian National University. Those who applied for places at our HK universities should be hearing news of their applications shortly.
