

Kindergarten and Primary Newsletter for 2008-9

Issue No. 29

Monday 4th May 2009

Assemblies: This morning's assembly in Ching Wah Street was performed by R2 a.m. class and was a superb play of 'Jack and the Beanstalk'. Our thanks to Ms Wilcockson and Ms Sheeja; the props were wonderful and the children all learnt so many lines to speak! Well done everyone for a great stage production! The children looked so confident as they performed in front of their wide audience.

Stars of the Week: This week for the Lower School, awarded by their class teachers, to the following students: Olivia Frain (P1R), Daniel Fung (P1O), Madeline Loo (P1L), Eunice Young (PP1pm), Haydon Lo (R1am), Haydn Ching (R2am), Shing Hei Hon (Rpm), Nicole Tan (KG1am), Michael Tsui (KG2am), Trevor Chan (KG1pm), and Ji Hyung Lam (KG2pm). Congratulations to all our stars this week!

Last week: Primary 4 had a successful visit to the Science Museum last Wednesday, and the Lower School Picnic and Sports Day took place last Thursday at Repulse Bay Beach and a wonderful day was had by all!

Thank you to all our parents who came along for the day to support their children in the sports and to participate in the family picnic.

Arriving shortly before 10 a.m. we settled on the beach and the teachers set about preparing the games for the children. Activities included relay races, egg & spoon race, sack race, hat race, obstacle course and 3 legged race! All the parents enthusiastically cheered the children on who all thoroughly enjoyed participating with enthusiasm! Everyone was awarded with a medal for their effort and enjoyment. After the strenuous part of the day we had our picnic lunch under the trees and enjoyed a well earned rest! Following lunch the children enjoyed playing in the sand and especially on the sea shore. We had quite a few swimmers and the temperature was ideal with quite a breeze on the beach. Departing were many tired children who had enjoyed a great day out in the healthy outdoors. Many thanks to the Lower School staff for all their effort in making the day a success.

This week: We are all of course remaining very vigilant in school with regards to hygiene to keep us all safe from the Influenza A H1N1 virus. May I remind you all to continue to take your child's temperature before they leave for school every morning, and to keep them at home if they have a fever. In the event of the EB closing schools in Hong Kong, may I remind you all that the teachers would be posting school work online, for you all to download from our website for students to continue their studies at home. We all hope that this will not have to happen, of course, so please keep healthy and vigilant.

Also this week, our Primary 6 visit to Beijing starts today, they will all be back in Hong Kong by Friday evening, after a busy and rewarding visit, we are sure!
