**Assemblies:** Friday's assembly at Braemar Hill Road was an excellent presentation by P5D on Hong Kong transportation. Our Thanks to Mrs. Klubi, Ms Vanessa and the children, who produced a very informative session for us. This was all about the various types of transportation including the history and many other interesting facts, enhanced by the display on the overhead screen.

This morning's performance was by the Kindergarten children with their Mandarin teachers; Ms Tammy and Ms Ade. The recitals and singing were super! Well done to the youngest of our children for confidently performing on stage and thank you to the teachers and assistants.
