Extra Curricular Activities 2008-9 First Semester

We are pleased to be able to offer a wide range of Extra Curricular Activities to our students this term. As usual, applications for these activities will be dealt with on a first come-first serve basis. We will also email this letter and form to everyone in case the students mislay or lose their forms.

We will try our best to please as many students as we can, but there are limited places on the majority of these activities. You must make sure this form is returned to the Form Tutor as soon as possible, but by Thursday 18th September, at the latest.

Monday activity days are as follows: 29th September, 13th, 20th 27th October, 10th, 17th, 24th November 1st, & 8th December.

Wednesday activity days are as follows: 25th September, 15th, 22nd, 29th October, 12th, 19th, 25th, November, 3rd, 10th December.

We can offer only nine weeks of activities this year, due to our Discovery Week in early November when all our students will be engaged in other exciting activities and trips for that week.

Finally please do note that although every effort will be made to give each student their first choice, however because of the numbers involved, this may not be possible.
