

KIANGSU – CHEKIANG COLLEGE

INTERNATIONAL SECTION

2008/9 NEWSLETTER – No.2

17th September 2008

This week: I think we all enjoyed our mini break this Monday, and hope you all did as well.

Computers were all given out last week, and hopefully all students have now safely logged on to the Learning Platform.

This week we had two teams competing against other International Schools and here are the two reports, firstly the swimming report, from Mr. Shum:

KCCIS competed in the HKISSF U12 and U14 swimming mini-meet held at Canadian International School on Tuesday, 16th September.

Due to a change in entry policy, not all swimmers were able to compete, but those who did, swam well and showed the potential we have.

Stella Wong (50m Freestyle) - 2nd

Annie Tsoi (50m Breaststroke) - 3rd

Iris Kwok (100m Breaststroke) - 3rd

Gene Lin (50m Breaststroke) - 2nd

This Thursday will see the U16 and U20 age groups competing in the same mini-meet, and we look forward to some other great results! We hope to uncover some hidden talent to enter into the main swimming competition in October.

Secondly, Soccer, from Mr. R. Wilson:

Tuesday, September 16: KCCIS vs HKIS Under 14 league.

A tough first game against the best team in the league. The boys battled hard, never gave up and competed until the end. Player of the game Gerald Williams was outstanding in goal. Next game is Friday the 19th against Discovery Bay College at King's Park, kick off at 3:30 p.m.

Message from the Office: Please give in your completed student record forms as soon as possible please! Thank you!

Message from me: I am collecting all Extra curricular forms this week, please make sure all forms are with me by Friday before 11 a.m. I will then

be sorting them out into the various activities, and latecomers may not be able to get any places at all!
