Kindergarten and Primary School Newsletter **2007-8**

Issue No. 21

Monday 25th February 2008

Assembly this week: We were unable to have our assembly last Friday at Braemar Hill because the school hall was in use for our GCSE Mock Examinations for our Year 11 students. We did have an assembly today, however, at Ching Wah Street, for our Lower School. The Kindergarten morning classes entertained us by reciting and singing five nursery rhymes. They were all very cute, and did a very good job, thanks to our teachers and assistants for their hard work with them all!

Stars of the Week were awarded this week to our Lower School Students by their Class Teachers, as follows: Charlotte Mang (P1Os), Kaitlyn Wells and Felix Wong (P1O), Lily Chen and Timothy Cheng (P1A), Lui Man Hei and Jeremy Lo (PP1pm), Stanley Fang (R1am), Hani Yap and George Lee (R2am), Ronald Tse and Vincent Capol (R2pm), Julia Chan and Anakin Wan (KG1am), Anais Chia and Benedict Wong (KG2am), and Timothy Huang (KGpm). Congratulations to all our stars this week!

This Week: P1 and P6 students will be having their immunization this coming Thursday, in school. If you have not yet returned the form plus your child's immunization record, please do so before Thursday.

Extra Curricular Activities:

Details of ECA, for both campuses, both teacher run and outside companies, will be coming home this week. Please ensure you adhere to the deadline as all lists need to be compiled by Ms. Wyatt before we break up for the Easter holiday. I am sure you will agree that the Upper School children in particular, have a very wide choice of activities to choose from. One of our new activities is rugby, organised by Aberdeen Dolphin Rugby Club. Also French has proved to be very popular and we shall endeavour to provide more availability next year.

SPORTS DAY

Lower School Sports day details will come home today. The event will be held on Friday March 14th and we look forward to seeing you all there! Please note there will not be transport provided from Ching Wah Street as we find it easier for the younger children to go directly to the sports ground with you.
