Congratulations to our two Primary 4 Teachers and students for a very lively and interesting assembly!

This Week: Quite a busy one, with the Primary 4's visiting a printing works in Chai Wan tomorrow to see how comic books are made and printed - sounds very interesting! Primary 3's are off to Tai Po Au on Thursday to visit the Nature Reserve. Haze Yeung, our PE Teacher has also asked me to include the following reminder for everyone about Friday...

KCIS SPORTS DAY

Date: Friday 14th March 2008

Place: Aberdeen Sports Ground, 108 Wong Chuk Hang Rd, Aberdeen, HK

Time: 9:30am - 12:30pm (Students must arrive at 9:15am)

All students must be accompanied by an adult.

Please bring the following:

- Hat and Sunscreen
- Drink Bottle
- Dressed in PE uniform or house colour t-shirt (red, yellow, green, blue)
- Other accessories (e.g. hat, band, badge etc.) in their house colour
- A warm jumper or jacket for afterwards (preferably in house colour)
- Balloons, banners, flags and streamers are optional

Advance notice: Today your child will be bringing home a letter from our School Photographer, Mr. Peter Inglis, which gives you information and dates about his forthcoming visit to School, during the first and second weeks next term. We have arranged this a little earlier than usual so the students can still be wearing their winter uniform, which we think looks very smart for their school photographs!

School Uniform Change-over day will be Monday 14th April, weather permitting! From that day on we will expect our students to be wearing their summer uniforms.

Extra Curricular Activities: By now you will all know everything about our proposed programme of activities. Please note that those activities offered by our teachers will commence in the week commencing Monday 31st March, first day back for the Summer Term, but for all other fee-paying activities you must check their leaflets for their start dates.

Extra Curricular Rugby activity is now also open to the Primary 5/6 girls and boys after school on Tuesdays. If you are interested then please email Ms. Wyatt for an application form.

Secondary News: Last Friday the Secondary School decamped to the Aberdeen Sports Ground for their annual Sports Day - and a thoroughly good time was had by all, with many medals being won for all the events. The weather was kind to us too! We were joined by quite a few parents, too, who cheered on the proceedings. The Yellow House team were the eventual winners of the Sports Day Cup.

This week sees our Year 12 students traveling to Liannen in Guangdong Province for 4 days and 3 nights. There, our students shall be able to experience life in poverty through visiting and interacting with villagers and children. We are undertaking this trip, organized by Worldvision, together with students and colleagues from the Li Po Chun United World College, at Ma on Shan. This is part of their Community, Action, Service (CAS) studies for their IB Diploma.

Last week we welcomed the parents of our Year 11 students to school to talk about their IGCSE Mock Examination results, and the prognosis for their exams which are now just over 7 weeks away! The Year 11 Students will be starting their study leave early next term. Once again we are hopeful of some good results from all our students!

Finally: A reminder that school finishes for this term on Wednesday 19th March, for both Lower and Upper School Campuses, at 12 noon.
