

Name: _____

Sequence

Next you brush your teeth.

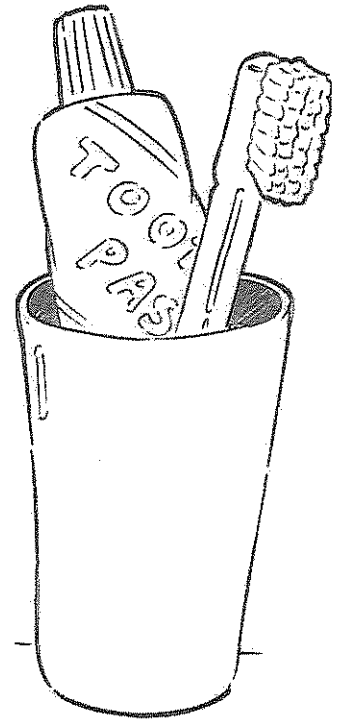

Now you go to bed.

To begin with you put toothpaste
on your toothbrush.

After that you rinse your brush.

Finally you put the top back
on the toothpaste.

Then you rinse your mouth with water.

- Cut out the sentences.
- Paste them onto a separate sheet in the correct order.

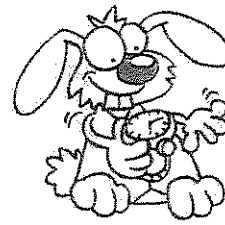

Dear Helper,

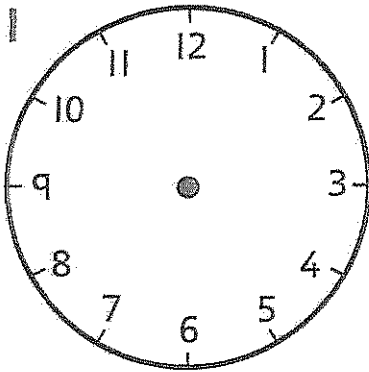

Objective: to re-order the sentences into the correct sequence.

Discuss with your child what you do when you brush your teeth. Talk about the order in which you do things, then read the sentences and help your child to sequence them into the correct order.
